Scan Design Study Tour 2021

SUGGESTED PACKING LIST

Clothes/Toiletries:

Students will stay in apartments/hostels that have laundry facilities during the trip. In general, we are biking everywhere, including to firms. Expect that Copenhagen, Aarhus, and Malmo can be both sunny and warm or cold and rainy in early September, so be prepared.

- Rain layers (a must)
  - Rain jacket
  - Rain pants
  - Waterproof shoes
- Tops
  - Comfortable tops
  - Sweater/sweatshirt layers
- Bottoms
  - Pants/dresses/skirts/leggings that you can bike in
- Swimsuit (we will go to a nice swimming platform)
- Sleepwear
- Socks: 4 – 6 pairs
- Underwear: 4 – 6 changes
- Comfortable walking shoes
- Athletic sandals (if desired, Chacos, Tevas, etc.)
- Personal toiletries (apartments do not provide shampoo, soap, etc.)
  - remember medication/eye care
  - laundry detergent (can be purchased there)

Accessories:

- Sunglasses
- Hat/Scarf/Gloves
- Daypack/bag (bikes will have baskets)

Money:

- Debit card
- Credit card (chip required for use in Denmark and Sweden)
- You can use an ATM to get cash at the airport when you arrive, though you may wish to also bring cash with you
- Phone numbers for your bank, credit & debit card companies

Documents plus photocopies, kept separately:

- Passport
- Printout of airline itinerary
- Driver’s license
- Student ID (a must for reduced entrance fees)
- Insurance (travel insurance through UW is required)
School supplies: (plus optional materials list at bottom)
- Bound sketchbook, something easy to pull out of your bag and do a quick sketch
- Your choice of pens/pencils

Electronics (required):
- Smartphone & charger - A working smart phone is required for navigation and communication on the trip. Check with your mobile provider for international rates (For example, T-mobile has international data and texting included in their standard plans and calls are 20¢ a minute. Alternatively, you may choose to purchase a Danish SIM card which can be purchased at a local shop for as little as $20. Please download WhatsApp with your American number before leaving home, as we’ll use it for communication while traveling.
- Adapter for outlets

(outlets look like this)

Electronics (if desired):
- Camera (remember chargers, cords, lanyards)
- Personal computer (optional, you won’t need it for any activities or exercises)

Food-related (optional):
- Water bottle (empty for airport security, of course)
- Tupperware of various sizes
- Sealable plastic bags
- Insulated thermos for coffee/tea (if you like to drink coffee throughout the day, making it in the morning and keeping it warm might be nice, and much cheaper than buying it out – some coffee goes for $5 - $7/cup)
- Snacks – there will be food available at grocery stores near the apartments, but if you have some favorites, you may want to bring them
- Coffee/tea (coffee should be ground, as there may not be a grinder available; there is coffee available but it is not inexpensive.)

Other:
- Watch or alarm clock
- Earplugs
- Neck pillow
